Introduction

On December 23, 2004, President George W. Bush signed the Federal Employee Dental and Vision Benefits Enhancement Act of 2004 (Public Law 108-496). The law directed the Office of Personnel Management (OPM) to establish supplemental dental and vision benefit programs to be made available to Federal employees, annuitants, and their eligible family members. In response to the legislation, OPM established the Federal Employees Dental and Vision Insurance Program (FEDVIP). OPM has contracted with dental and vision insurers to offer an array of choices to Federal employees and annuitants. Section 715 of the National Defense Authorization Act for Fiscal Year 2017 (FY 2017 NDAA), Public Law 114-38, expanded FEDVIP eligibility to certain TRICARE-eligible individuals.

This brochure describes the benefits of UnitedHealthcare Dental Plan under UnitedHealthcare Dental Plan's contract OPM02-FEDVIP-02AP-15 with OPM, as authorized by the FEDVIP law. The address for our administrative office is:

If you are enrolled in this Plan, you are entitled to the benefits described in this brochure. If you are enrolled in Self Plus One, you and your designated family member are entitled to these benefits. If you are enrolled in Self and Family coverage, each of your eligible family members is also entitled to these benefits, if they are also listed on the coverage. **You and your family members do not have a right to benefits that were available before January 1, 2021 unless those benefits are also shown in this brochure.**

OPM negotiates rates with each carrier annually. Rates are shown at the end of this brochure.

Nomination forms are available on our web site, or call us and we will have a form sent to you. You cannot change plans outside of Open Season because of changes to the provider network.

Provider networks may be more extensive in some areas than others. We cannot guarantee the availability of every specialty in all areas. If you require the services of a specialist and one is not available in your area, please contact us for assistance.

Section 2 Enrollment

Enroll Through BENEFEDES

You must use BENEFEDES to enroll or change enrollment in a FEDVIP plan. BENEFEDES is a secure enrollment website (www.BENEFEDES.com) sponsored by OPM. If you do not have access to a computer, call 1-877-888-FEDS (1-877-888-3337), TTY number 1-877-889-5680 to enroll or change your enrollment.

If you are currently enrolled in FEDVIP and do not want to change plans, your enrollment will continue automatically. Please Note: Your plans' premiums may change for 2021.

Note: You cannot enroll or change enrollment in a FEDVIP plan using the Health Benefits Election Form (SF 2809) or through an agency self-service system, such as Employee Express, PostalEase, EBIS, MyPay, or Employee Personal Page. However, those sites may provide a link to BENEFEDES.

Enrollment Types

Self Only: A Self Only enrollment covers only you as the enrolled employee or annuitant. You may choose a Self Only enrollment even though you have a family; however, your family members will not be covered under FEDVIP.

Self Plus One: A Self Plus One enrollment covers you as the enrolled employee or annuitant plus one eligible family member whom you specify. You may choose a Self Plus One enrollment even though you have additional eligible family members, but the additional family members will not be covered under FEDVIP.

Self and Family: A Self and Family enrollment covers you as the enrolled employee or annuitant and all of your eligible family members. You must list all eligible family members when enrolling.

Dual Enrollment

If you or one of your family members is enrolled in or covered by one FEDVIP plan, that person cannot be enrolled in or covered as a family member by another FEDVIP plan offering the same type of coverage; i.e., you (or covered family members) cannot be covered by two FEDVIP dental plans or two FEDVIP vision plans.

Opportunities to Enroll or Change Enrollment

Open Season

If you are an eligible employee, annuitant, or TRICARE-eligible individual, you may enroll in a dental and/or vision plan during the November 9, through midnight EST December 14, 2020, Open Season. Coverage is effective January 1, 2021.

During future annual Open Seasons, you may enroll in a plan, or change or cancel your dental and/or vision coverage. The effective date of these Open Season enrollments and changes will be set by OPM. **If you want to continue your current enrollment, do nothing. Your enrollment carries over from year to year, unless you change it.**

New hire/Newly eligible

You may enroll within 60 days after you become eligible as:

- a new employee;
- a previously ineligible employee who transferred to a covered position;
- a survivor annuitant if not already covered under FEDVIP; or
- an employee returning to service following a break in service of at least 31 days.
- a TRICARE-eligible individual

Qualifying Life Event

A qualifying life event (QLE) is an event that allows you to enroll, or if you are already enrolled, allows you to change your enrollment outside of an Open Season.

The following chart lists the QLEs and the enrollment actions you may take.

Qualifying Life Event	From Not Enrolled to Enrolled	Increase Enrollment Type	Decrease Enrollment Type	Cancel	Change from One Plan to Another
Marriage	Yes	Yes	No	No	Yes
Acquiring an eligible family member (non-spouse)	No	Yes	No	No	No
Losing a covered family member	No	No	Yes	No	No
Losing other dental/vision coverage (eligible or covered person)	Yes	Yes	No	No	No
Moving out of regional plan's service area	No	No	No	No	Yes
Going on active military duty, non- pay status (enrollee or spouse)	No	No	No	Yes	No
Returning to pay status from active military duty (enrollee or spouse)	Yes	No	No	No	No
Returning to pay status from Leave without pay	Yes (if enrollment cancelled during LWOP)	No	No	No	Yes (if enrollment cancelled during LWOP)
Annuity/ compensation restored	Yes	Yes	Yes	No	No
Transferring to an eligible position*	No	No	No	Yes	No

*Position must be in a Federal agency that provides dental and/or vision coverage with 50 percent or more employer-paid premium.

The timeframe for requesting a QLE change is from 31 days before to 60 days after the event. There are two exceptions:

- There is no time limit for a change based on moving from a regional plan's service area and
- You can not request a new enrollment based on a QLE before the QLE occurs, except for enrollment because of loss of dental or vision insurance. You must make the change no later than 60 days after the event.

Generally, enrollments and enrollment changes made based on a QLE are effective on the first day of the pay period following the one in which BENEFEDS receives and confirms the enrollment or change. BENEFEDS will send you confirmation of your new coverage effective date.

Once you enroll in a plan, your 60-day window for that type of plan ends, even if 60 calendar days have not yet elapsed. That means once you have enrolled in either plan, you can not change or cancel that particular enrollment until the next Open Season, unless you experience a QLE that allows such a change or cancellation.

Canceling an Enrollment

You may cancel your enrollment only during the annual Open Season. An eligible family member's coverage also ends upon the effective date of the cancellation.

Your cancellation is effective at the end of the day before the date OPM sets as the Open Season effective date.

When Coverage Stops

- Coverage ends for active and retired Federal, U.S. Postal employees, and TRICARE-eligible individuals when you:

Coverage for a family member ends when:

- you as the enrollee lose coverage; or
- the family member no longer meets the definition of an eligible family member.

NOTE: Coverage ends for a covered individual when UnitedHealthcare Dental does not receive premium payment for that covered individual.

Continuation of Coverage

Under FEDVIP, there is no 31-day extension of coverage. The following are also NOT available under the FEDVIP plans:

- Temporary Continuation of Coverage (TCC);
- spouse equity coverage; or
- right to convert to an individual policy (conversion policy).

FSAFEDS/High Deductible Health Plans and FEDVIP

If you are planning to enroll in an FSAFEDS Health Care Flexible Spending Account (HCFSA) or Limited Expense Health Care Flexible Spending Account (LEX HCFSA), you should consider how coverage under a FEDVIP plan will affect your annual expenses, and thus the amount that you should allot to an FSAFEDS account.

Using your FSA pre-tax dollars for your dental needs is a great way to get more out of your benefit dollar. UnitedHealthcare Dental will submit your eligible FSAFEDS out-of-pocket expenses electronically via Paperless Reimbursement (PR). To enroll in PR, visit www.FSAFEDS.com and click on [My Account Summary](#), then Paperless Reimbursement. Please note that insurance premiums are not eligible expenses for either type of FSA.

If you have an HCFSA or LEX HCFSA FSAFEDS account and you haven't exhausted your funds by December 31st of the plan year, FSAFEDS can automatically carry over up to \$500 of unspent funds into another health care or limited expense account for the subsequent year. To be eligible for carryover, you must be employed by an agency that participates in FSAFEDS and actively making allotments from your pay through December 31. You must also actively reenroll in a health care or limited expense account during the NEXT Open Season to be carryover eligible. Your reenrollment must be for at least the minimum of \$100. If you do not reenroll, or if you are not employed by an agency that participates in FSAFEDS and actively making allotments from your pay through December 31st, your funds will not be carried over.

Because of the tax benefits an FSA provides, the IRS requires that you forfeit any money for which you did not incur an eligible expense and file a claim in the time period permitted. This is known as the "Use-It-Or-Lose-It" rule. Carefully consider the amount you will elect.

For a health care or limited expense account, each participant must contribute a minimum of \$100 to a maximum of \$2,750.

Current FSAFEDS participants must re-enroll to participate next year. See www.fsafeds.com or call 1-877-FSAFEDS (372-3337) or TTY: 1-866-353-8058. **Note: FSAFEDS is not open to retired employees, or to TRICARE eligible individuals.**

If you enroll or are enrolled in a high deductible health plan with a health savings account (HSA) or health reimbursement arrangement (HRA), you can use your HSA or HRA to pay for qualified dental/vision costs not covered by your FEHB and FEDVIP plans. You will be required to submit your claim to the FSAFEDS Health Care Flexible Spending Account (HCFSA) or Limited Expense Health Care Flexible Spending Account (LEX HCFSA).

Section 3 How You Obtain Care

Identification Cards/ Enrollment Confirmation	Enroll online at www.benefeds.com . Upon confirmation of your enrollment, you will be sent a UnitedHealthcare Dental Plan identification card with your welcome packet.
Where You Get Covered Care	You may visit any provider in the UnitedHealthcare Dental network. Log on to www.myuhcdental.com/fedvip and select the provider locator option. You may also contact UnitedHealthcare Dental's 24-hour, toll-free Interactive Voice Response (IVR) system dedicated to Federal employees and annuitants at 1-866-315-2321 or TTY 711. You may elect to visit any dental provider to utilize your benefit, even if they are not part of the UnitedHealthcare Dental provider network.
Plan Providers	We list plan providers on our Web site at www.myuhcdental.com/fedvip . In addition, you can call UnitedHealthcare Dental Plan's 24-hour, toll-free Interactive Voice Response (IVR) system dedicated to Federal employees and annuitants at 1-866-315-2321 or TTY 711.
In-Network	Once you locate an in-network provider, call the provider directly to schedule your appointment. Identify yourself as having UnitedHealthcare Dental coverage and provide the primary insured's subscriber number and patient's name and date of birth. You can find participating providers at www.myuhcdental.com/fedvip .
Out-of-Network	<p>If you use a dentist outside the network, you may need to pay the difference between what the plan covers and what your dentist charges for the services. Plus, you may need to submit your own claims to the following address:</p> <p>UnitedHealthcare Dental Attention: Claims Department P.O. Box 30567 Salt Lake City, UT 84130-0567</p>
Emergency Services	All expenses for emergency services are payable as any other expense, subject to plan provisions. If you receive emergency services from an out-of-network dentist, benefits will be paid under the out-of-network plan provisions. You are responsible for the difference between the maximum allowed amount and the billed charge.
Maximum Amount Allowed	The maximum amount of reimbursement we allow for a specific procedure. When you use an in-network provider, the provider cannot bill you for the difference between the Maximum Allowed Amount and the billed charge. When you use an out-of-network provider, you are responsible for the difference between the Maximum Allowed Amount and the billed charge in addition to applicable coinsurance and deductible amounts.
Precertification	You and your dentist may request us to precertify dental procedures that your dentist plans to perform. We will provide an explanation of benefits to both you and your dentist that will indicate if procedures are covered and what we will pay for those specific services.
Alternate Benefit	If more than one service or procedure can be used to treat the covered person's dental condition, UnitedHealthcare Dental may decide to authorize coverage only for the less costly covered service or procedure when that service is an appropriate method of treatment and the service meets broadly accepted national standards of dental practice. For example, this may apply but not limited to include: an amalgam or composite filling may be the alternate benefit of a crown or; a partial denture may be an alternate benefit for implants. Should the member and the dentist choose the more expensive treatment, the member is responsible for the additional charges beyond the allowance for the alternate service, even if an in-network provider.

Dental Review

UnitedHealthcare Dental Plan's claim review is conducted by licensed dental professionals who review the clinical documentation submitted by your treating dentist. These licensed dental professionals review the records checking for dental necessity for certain procedures such as crowns, bridges, onlays, implants, periodontal treatments, as well as other services. The licensed dental professionals may also recommend that an alternate benefit be applied to a service in accordance with the terms of the plan.

FEHB First Payor

When you visit a provider who participates with both your FEHB plan and your FEDVIP plan, the FEHB plan will pay benefits first. The FEDVIP plan allowance will be the prevailing charge in these cases. You are responsible for the difference between the FEHB and FEDVIP benefit payments and the FEDVIP plan allowance. UnitedHealthcare Dental is responsible for facilitating the process with the FEHB first payor. It is important to bring your FEDVIP and FEHB identification cards to every dental appointment to ensure that you are receiving the maximum allowable benefit under each program.

Coordination of Benefits

If you are covered under a non-FEHB plan, your UnitedHealthcare Dental benefits will be coordinated using traditional COB provisions for determining payment.

We will coordinate benefit payments with the payment of benefits under other group health benefits coverage (non-FEHB) you may have and the payment of dental costs under no-fault insurance that pays benefits without regard to fault.

Here is an example of how we would coordinate benefits if a non-FEHB plan was primary. High Option coverage (In-Network provider). This example assumes all deductibles have been met and annual maximums have not been reached. The amounts listed in chart below are for example purposes only and do not reflect your non-FEHB or UnitedHealthcare Dental benefits. The example does not include your copay which you are responsible for paying.

UnitedHealthcare Dental coverage is secondary to non-FEHB coverage	
In-Network Dentist's Fee	\$200.00*
Plan Allowance	\$150.00
Primary Plan's Scheduled Amount	\$125.00
Primary Plan's Payment	\$125.00
FEDVIP Payment	\$25.00 (\$150.00-\$125.00)
Member Payment	\$0.00
*You are not responsible for the \$50.00 difference between the dentist's fee and the plan allowance, when you use an in-network dentist. The dentist cannot bill you for this amount.	

Rating Areas

Your rates are determined based on where you live. This is called a rating area. If you move, you must update your address through BENEFEDS. Your rates might change because of the move. Your rates will not be impacted if you temporarily reside at another location.

Limited Access Area

If you live in a limited access area* (defined as driving distance greater than 15 miles urban areas/ greater than 35 miles in rural areas) and you receive covered dental services from an out-of-network provider, we will pay the same plan allowances as if you utilized an in-network provider. It is important to note that you will be responsible for the difference between the billed amount and our payment. If you have any questions about limited access areas or you are having problems locating an in-network dentist in your area, please call us at 1-866-315-2321 or TTY 711

***NOTE: Access Standards**

Limited Access does not apply to International Members.

Urban and suburban zip codes: at least 90% of Federal eligibles (employees and annuitants) in a network access area (zip code plus 15 driving-miles) must have access to a dental care preferred provider.

Rural zip codes: at least 80% of Federal eligibles (employees and annuitants) in a network access area (zip code plus 35 driving-miles) must have access to a dental care preferred provider.

Section 4 Your Cost For Covered Services

This is what you will pay out-of-pocket for covered care:

In-Network Services

You pay the coinsurance percentage of our network allowance for covered services. You are not responsible for charges above that allowance.

Out-of-Network Services

If the dentist you use is not part of our network, benefits will be considered at the out-of-network level. All services provided by an out-of-network dentist will be paid at out-of-network levels, except for limited access benefits. All benefit payments are based on UnitedHealthcare Dental's Plan Allowance Amounts, which is a schedule of fixed dollar maximums established by UnitedHealthcare Dental for services by out-of-network providers. If a member chooses to go out of network, payments will be made directly to the member.

Calendar Year

The calendar year refers to the plan year, which is defined as January 1, 2021 to December 31, 2021.

Emergency Services

Emergency services are defined as those dental services needed to relieve pain or prevent the worsening of a condition that would be caused by a delay.

In-Progress Treatment

In-progress treatment for dependents of retiring active duty service members who were enrolled in the TRICARE Dental Program (TDP) will be covered for the 2021 plan year; regardless of any current plan exclusion for care initiated prior to the enrollee's effective date.

This requirement includes assumption of payments for covered orthodontia services up to the FEDVIP policy limits, and full payment where applicable up to the terms of FEDVIP policy for covered services completed (but not initiated) in the 2021 plan year such as crowns and implants.

This is not a requirement for carriers to provide in-progress coverage for orthodontia in a plan where an enrollee must meet a waiting period.

FEDVIP carriers will not cover in-progress treatment if you enroll in a FEDVIP plan that has a waiting period, or does not cover the service. Several FEDVIP dental plans have options that offer orthodontia coverage without a 12-month waiting period, and without age limits.

Class C Major

Important things you should keep in mind about these benefits:

- Please remember that all benefits are subject to the definitions, limitations, and exclusions in this brochure and are payable only when we determine they are necessary for the prevention, diagnosis, care, or treatment of a covered condition and meet generally accepted dental protocols.
- The calendar year deductible is \$0 if you use an in-network provider. If you elect to use an out-of-network provider, the Standard Option has deductible amounts of \$100 for Self, \$200 for Self Plus One, and \$300 for Family for Class A, B, and C services; High Option has deductible amounts of \$50 for Self, \$100 for Self Plus One, and \$150 for Family for Class B and C services.
- The Annual Benefit Maximums within each option are combined between in and out-of-network services. The total Annual Benefit Maximum will never be greater than the in-network Maximum Annual Benefit. The Standard Option Annual Benefit Maximum is \$1,500 per person for in-network services or \$1,000 per person for out-of-network services for Class A, B, and C services. The High Option does not have Annual Benefit Maximums for in-network services or out-of-network services for Class A, B, and C services.
- If more than one service or procedure can be used to treat the covered person's dental condition, UnitedHealthcare Dental may decide to authorize coverage only for the less costly covered service or procedure when that service is an appropriate method of treatment and the service meets broadly accepted national standards of dental practice. This may apply but not limited to include: an amalgam or composite filling may be the alternate benefit of a crown or only, a partial denture may be an alternate benefit for implants. Should the member and the dentist choose the more expensive treatment, the member is responsible for the additional charges beyond the allowance for the alternate service, even if an in-network provider.
- All services requiring more than one visit are payable once all visits are completed.
- The following list is an all-inclusive list of covered services. UnitedHealthcare Dental will provide benefits for these services, subject to the exclusions and limitations shown in this section and Section 7.
- Included with your plan benefits is comprehensive coverage for various methods of annual oral cancer screenings for all adults. In addition included in your plan is a Supplemental Oral Cancer Benefit. Any UnitedHealthcare Dental member who receives a diagnosis of Oral, Head and Neck Cancer, and who has an impact to their teeth and supporting structures, is eligible for a one-time single lump sum payment of \$2,000 to cover expenses such as lost wages, child care, and more. This added financial benefit can be used at the member's discretion as they navigate the various demands this diagnosis may bring. This is a fixed oral cancer benefit to aid with the unexpected dental care and personal disruptions often bringing an added financial burden.
- Any dental service or treatment not listed as a covered service is not eligible for benefits.

How to File a Claim for Covered Services

To avoid delay in the payment of your dental claims, please have your dental provider submit your claims directly to your FEHB plan (Should you be enrolled), then to UnitedHealthcare Dental. Pretreatment estimates can be submitted directly to UnitedHealthcare Dental (exception: If accidental injury occurs, pretreatment estimates should be submitted to your FEHB plan).

If you need to send in a paper claim you may download a claim form from UnitedHealthcare Dental's website, www.myuhcdental.com/fedvip.

Mail completed claim form to:

2	<p>You may mail your request for reconsideration to:</p> <p>UnitedHealthcare Dental Attention: Dental Appeals and Grievance P.O. Box 30569 Salt Lake City, UT 84130-0569</p> <p>Or go to www.myuhcdental.com/fedvip</p> <p>We will review your request and provide you with a written or electronic explanation of benefit determination within 30 days of the receipt of your request.</p>

Failure to do so will disqualify the appeal of your claim. We will provide a decision within 30 days of receipt of your request for second review.</p>
4	<p>If you do not agree with our final decision, under certain circumstances you may request an independent third party, mutually agreed upon by UnitedHealthcare Dental and OPM, review the decision. To qualify for this independent third party review, the reason for denial must be based on our determination that the rationale for the procedure did not meet our dental necessity criteria or our administration of the plans Alternate Benefit provision, for example, a bridge being given an alternate benefit of a partial denture.</p> <p>The decision of the independent third party is binding and is the final review of your claim.</p>

Follow this disputed claims process if you disagree with our decision on your claim or request for services. **FEDVIP legislation does not provide a role for OPM to review disputed claims.**

Stop Health Care Fraud!

Fraud increases the cost of health care for everyone and increases your Federal Employees Dental and Vision Insurance Program premium.

Protect Yourself From Fraud – Here are some things that you can do to prevent fraud:

- Do not give your plan identification (ID) number over the telephone or to people you do not know, except to your providers, UnitedHealthcare Dental, BENEFEDS, or OPM.
- Let only the appropriate providers review your clinical record or recommend services.
- Avoid using providers who say that an item or service is not usually covered, but they know how to bill us to get it paid.
- Carefully review your explanation of benefits (EOBs) statements.
- Do not ask your provider to make false entries on certificates, bills or records in order to get us to pay for an item or service.
- If you suspect that a provider has charged you for services you did not receive, billed you twice for the same service, or misrepresented any information, do the following:
 - Call the provider and ask for an explanation. There may be an error.
 - If the provider does not resolve the matter, call us at 1-866-315-2321 or TTY 711 and explain the situation, you will be required to state your complaint in writing to us.

Do not maintain as a family member on your policy:

- Your former spouse after a divorce decree or annulment is final (even if a court order stipulates otherwise); or
- Your child over age 22 (unless he/she is disabled and incapable of self- support). With respect to TRICARE-eligible individuals, children and dependent unmarried persons must be under age 21 if they are not a student, under age 23 if they are a full-time student, or incapable of self-support because of a mental or physical incapacity.

If you have any questions about the eligibility of a dependent, please contact BENEFEDS.

Be sure to review Section 1, Eligibility, of this brochure prior to submitting your enrollment or obtaining benefits.

Fraud or intentional misrepresentation of material fact is prohibited under the plan. You can be prosecuted for fraud and your agency may take action against you if you falsify a claim to obtain FEDVIP benefits or try to obtain services for someone who is not an eligible family member or who is no longer enrolled in the plan, or enroll in the plan when you are no longer eligible.
